Product highlights

Portable design

The very compact size of the charger allows you to bring it wherever you need it.

Timer controlled

The built-in safety timer stops the charger when the batteries are full. This prolongs the life of your batteries by preventing the damage caused by overcharging.

USB connection

The special USB connector connects the charger to any USB power outlet so you can recharge your batteries from your laptop while at your desk, in the car, on the train or in the plane.

2100 mAh MultiLife AA included

The 2100 mAh of energy keeps your audio player or digital camera going longer.
